## Event Overview:

We are proud to present the **2<sup>nd</sup> Annual London Orthopaedic Meeting**, organized by **UK Medical Education**, taking place on **5<sup>th</sup>-6<sup>th</sup> June 2025** in **London, UK**. Following the success of our inaugural event, this conference is designed to bring together **orthopaedic surgeons, sports physicians, general practitioners, residents, allied health practitioners and industry leaders** to explore **cutting-edge innovations, evolving techniques, and key challenges** shaping the future of orthopaedic surgery.

Over two days, attendees will benefit from **expert-led keynote sessions, in-depth panel discussions, and hands-on case studies**, covering **minimally invasive procedures, complex surgical advancements, and emerging technologies in orthopaedics**. A dedicated focus will also be placed on **FRCS preparation**, ensuring valuable insights for those pursuing professional milestones.

Beyond education, this event serves as a **premier networking platform**, fostering collaboration and engagement among peers. We encourage all attendees to interact with our **renowned speakers, industry exhibitors, and fellow professionals** to exchange ideas, share experiences, and explore transformative solutions in orthopaedic practice.
