

3RD ANNUAL
LONDON ORTHOPAEDIC
MEETING

**Innovating, Educating, and Elevating
Orthopaedic Practice**

04TH-05TH JUNE 2026

 **The Chicago Booth London Conference Centre**

For more information please contact us at [**Contact@ukmeded.com**](mailto:Contact@ukmeded.com)

Event Overview:

We are delighted to present the **3rd Annual London Orthopaedic Meeting**, organised by **UK Medical Education**, taking place on **4th–5th June 2026** at The Chicago Booth London Conference Centre. Building on the **strong foundation** of our 2024 and 2025 meetings which brought together distinguished **surgeons, multidisciplinary clinicians, and key industry partners** this edition aims to further elevate the standard of **orthopaedic education, collaboration, and clinical excellence in the UK and beyond.**

As orthopaedic practice continues to **evolve with rapid technological progress and emerging clinical evidence**, this conference has been carefully designed to serve as a comprehensive platform for orthopaedic surgeons, sports physicians, general practitioners, trainees, allied health professionals, and industry innovators. **Over the course of two days, attendees will gain exposure to cutting-edge developments, evolving surgical techniques, complex case management strategies**, and the latest advancements in diagnostics, innovation, and operative technologies.

The 2026 programme features expert-led keynote sessions, structured panel discussions, **FRCS-focused teaching**, and **practical case-based learning** across a broad range of subspecialties. Topics will span minimally **invasive surgery, trauma and reconstruction**, sports orthopaedics, upper and lower limb updates, advancements in **biologics and implants**, perioperative care, and the integration of new technologies into **surgical decision-making**.

A dedicated emphasis will also be placed on FRCS preparation, offering trainees valuable insight from experienced consultants on **exam strategy, complex cases, and high-yield topics making this meeting an essential educational opportunity for surgeons progressing through their training milestones.**

Beyond the scientific agenda, the London Orthopaedic Meeting serves as a **premier networking forum**, bringing together renowned speakers, healthcare professionals, and industry exhibitors. **Attendees are encouraged to engage actively with faculty members**, interact with innovation partners, and share experiences with peers to foster **meaningful collaboration and exchange of ideas.**

As we move into our third year, our goal stays clear: to **support, elevate, and advance the orthopaedic community through education**, innovation, and partnership. We look forward to welcoming you to London for an **inspiring and impactful meeting.**

Join Us

as we advance orthopaedic
excellence through
innovation and collaboration!

TO REGISTER AS A FREE DELEGATE, >>>>>>

PLEASE FOLLOW THE GIVEN STEPS:

01

Step : 1

Click on the below link or scan the QR code:
<https://ukmeded.com/2nd-annual-london-orthopaedic-meeting/registration-2nd-annual-london-orthopaedic-meeting/register-as-a-delegate/>

02

Step : 2

Click on the blue box which says
Primary Delegate

03

Step : 3

Under Complimentary Pass -
Click on Buy Now

04

Step : 4

Fill the **REGISTRATION FORM** that appears on the screen, and **ukmeded** shall have your name registered as a delegate for 2nd Annual London OrthopaedicMeeting

(Kindly make sure you fill in all the details requested in the registration form)

OUR SPONSORS

GOLD SPONSOR

SILVER SPONSOR

BRONZE SPONSOR

GOLD SPONSOR

Arthrex: As a major player in the field of orthopaedic surgery for over 40 years, Arthrex produces and distributes medical devices in over one hundred countries around the world. Arthrex UK was established in 1996. Pursuing the mission of Helping Surgeons Treat Their Patients Better Arthrex has become a pioneer in the field of arthroscopy and has thus created more than 14,000 surgical products and procedures offering real advances in the practice of minimally invasive orthopaedic surgery.

Marquardt UK Ltd: Marquardt Medizintechnik is based in Spaichingen, Germany. Founded in 1980 since then production has been consistently geared towards medical implants. Thus, Medical engineering solutions by Marquardt Medizintechnik offer the highest level of innovation, quality and service which is the decisive criteria for excellence in medical engineering. Please visit our website – www.marquardt-uk.com

SILVER SPONSOR

SmithNephew

Smith+Nephew:

Smith+Nephew is a portfolio medical technology company focused on the repair, regeneration and replacement of soft and hard tissue.

BRONZE SPONSOR

medartis[®]

PRECISION IN IMPLANTATION

Medartis Ltd.: Medartis is the global innovation leader in implants for osteosynthesis in the fields of cranio-maxillofacial surgery as well as upper and lower extremities. Our products contribute significantly to the optimal restoration of bone fractures. This shortens the rehabilitation period for the patients and noticeably improves their quality of life.

stryker

Stryker: Stryker Corporation is a global medical technology company that develops and manufactures a wide range of medical devices and equipment, primarily focusing on three main areas: Orthopaedics, Neurotechnology, and Medical and Surgical. The company is headquartered in Kalamazoo, Michigan.

BRONZE SPONSOR

Hospital Innovations : was founded in 2008, Hospital Innovations has been supplying a growing range of specialist products for use in orthopaedic and corrective surgery. We are a Human Tissue Authority (HTA) licensed establishment, working in partnership with six of the world's leading tissue banks. We pride ourselves on the delivery of outstanding customer support, always in the knowledge that our end-user is a person in need.

Osteotec[™]

Osteotec : was founded three decades ago with a single goal – to improve people's health at every stage of their life, delivering products and services with integrity and accountability. While the solutions we provide clinicians may have changed over the past 30 years, our commitment to helping deliver the best patient care possible has never wavered. Today we're still motivated by the same values, with an unfaltering dedication to creating a workplace in which our people can grow and thrive. And that focus won't change as we tackle healthcare's challenges together with our customers, partnerstand patients at the heart of everything we do.

Conference Conveners

Abhinav Gulihar

Consultant Orthopaedic Surgeon (Upper Limb and Trauma)

Princess Royal University Hospital, King's College Hospital NHS Foundation Trust

Abhi Gulihar is a fellowship trained orthopaedic surgeon specialising in surgery of the shoulder, elbow, wrist and hand. He has a special interest in shoulder replacement surgery and the management of sports injuries. Abhi believes in evidence-based practice whilst utilising the latest techniques, with an emphasis on patient centred care.

Abhi completed his specialist orthopaedic training in East Midlands and Kent, Surrey and Sussex and then went on to do fellowships at the Southwest London Elective Orthopaedic Centre and the European Arthroscopy Fellowship. He has also taken the opportunity to visit several experts in Shoulder surgery in Europe and USA to learn the latest advances and techniques. He now has a busy NHS practice at the Kings College Hospital NHS trust managing routine and complex conditions and injuries of the upper limb.

Robbie Ray

Orthopaedic Surgeon (Foot and Ankle)

Princess Royal University Hospital, King's College Hospital NHS Foundation Trust

Mr Ray is double international fellowship trained in Sydney, Australia and Toronto, Canada. He won the prestigious BOFAS Gold fellowship award for his time in Sydney. He initially worked as consultant foot and ankle surgeon at the world-renowned St George's Hospital major trauma centre. He has moved his NHS practice to Kings College Hospital Foundation trust to develop and modernise the elective foot and ankle service at the South sites.

Mr Ray has some of the most advanced training in minimally invasive surgery amongst UK surgeons and endeavours to deliver high quality, safe, modern treatments to his patients.

Advisory Board

Mohit Bansal

Consultant Orthopaedic Surgeon (Hip, Knee and Trauma)

Princess Royal University Hospital, King's College Hospital NHS Foundation Trust

Mr Bansal is a Consultant Orthopaedic Surgeon specializing in hip and knee surgery. He has a special interest in treating a wide range of hip and knee conditions including arthritis, sports injuries, and trauma. He has expertise not only in joint replacement for arthritic condition but also in joint preservation procedures such as partial knee replacement, osteotomies, and chondral procedures. Being a sports person himself, he gets immense gratification in treating patients with sports injuries. He is also extremely proficient in managing traumatic injuries of lower limbs.

Dominic Davenport

Consultant Orthopaedic Surgeon (Hip, Knee and Trauma)

Princess Royal University Hospital, King's College Hospital NHS Foundation Trust

Mr Dominic Davenport is a Consultant Orthopaedic surgeon who specialises in hip and knee surgery and management of lower limb injuries. Dominic qualified from Guy's, King's and St. Thomas Medical School and completed higher surgical training in Trauma and Orthopaedic Surgery in South London, including rotations at Guys and St Thomas Hospitals, St. George's Hospital and Southwest London Elective Orthopaedic Centre (SWLEOC). He completed a Master's degree in Sports and Exercise Medicine at the University of Bath and then two specialist fellowship posts, learning advanced techniques in knee surgery at Guys Hospital and in hip surgery at the Royal Bournemouth Hospital. He has a particular interest in hip and knee replacement including partial knee replacement and his current research activities include management of hip dysplasia, day-case hip and knee surgery, and optimisation of patients' health prior to joint replacement surgery. He has published widely in major Orthopaedic journals and regularly attends and presents at national and international conferences keeping up to date with the latest techniques. He has a passion for education, winning several awards for designing and delivering Orthopaedic training in the region, and has published journal articles and a textbook to assist medical students and junior doctors in their Orthopaedic training. Dominic focuses on a personalised, patient-centred approach to treatment and offers both non-operative and operative treatments for a wide variety of hip and knee problems in adult patients of all age groups.

Kishan Gokaraju

Consultant Orthopaedic Surgeon (Upper Limb and Trauma)

Princess Royal University Hospital, King's College Hospital NHS Foundation Trust

Kishan Gokaraju is a triple-fellowship trained upper limb surgeon at Kings College Hospital NHS Foundation Trust. Following training on the esteemed Stanmore rotation, he completed internationally renowned fellowships in Brisbane, Sheffield & Coventry. He has won the prestigious BESS, BOA and Watanabe travelling fellowship awards for experiences at Centres of Excellence in the UK, France & North America with world-leading surgeons. As a result, he has expertise in upper limb trauma and elective surgery, from shoulder to hand. While having significant academic success with published research and international presentations, his main focus lies in teaching, having set-up and ran several FRCS-level educational programs and courses locally and nationally. He is looking forward to co-hosting this 1st London Orthopaedic Meeting.

Aanchal Jain

Consultant Orthopaedic Surgeon (Upper Limb and Trauma)

Princess Royal University Hospital, King's College Hospital NHS Foundation Trust

Aanchal Jain is a Consultant Hand and Wrist surgeon at the Princess Royal University Hospital. She qualified from Imperial College London and completed her specialist training on the Southwest London rotation. She has completed fellowships at prestigious institutions such as Queens Medical Centre, Nottingham, and the Pulver Taft Hand Unit, Derby. Ms Jain is active in medical education and is a member of faculty on several eminent national courses for surgeons. She has written book chapters, published in peer-reviewed journals and presented her work both nationally and internationally.

Max Edwards

Consultant Orthopaedic Surgeon (Hip, Knee and Trauma)

Princess Royal University Hospital

Max Edwards is an Orthopaedic Surgeon in South London, providing NHS services based at the Princess Royal University Hospital in Farnborough. Privately he consults at The Sloane Hospital in Beckenham and Chelsfield Park Hospital in Orpington. Although trained in general Orthopaedics and Trauma, he specialises in disorders of the Knee and Hip. Mr Edwards completed his surgical training in the Southeast Thames region (primarily at Guy's and St Thomas's Hospitals). He has recently returned from a year of advanced sub-specialist training in Toronto, Canada. During this fellowship, he gained expertise in the latest techniques for treating disorders of the Knee and Hip. These include primary and revision arthroplasty, hip resurfacing, computer navigation and joint preserving procedures (like osteotomies around the knee, and microfracture). Alongside the development of his current busy NHS practice, he has specific interests in medical education and research. His research has led to numerous presentations all over the world and publications in internationally renowned Orthopaedic journals. He is committed to providing the highest quality of Orthopaedic care, with a patient centred and evidence-based approach.

Razi Zaidi

Consultant Foot & Ankle Surgeon

**Princess Royal University Hospital, King's College Hospital NHS
Foundation Trust**

Mr Razi Zaidi is a highly skilled and accomplished Consultant Orthopaedic Surgeon specialising in foot and ankle surgery. With extensive training and experience in trauma and orthopaedic surgery, he is recognised for his expertise in managing complex foot and ankle pathologies, including total ankle replacement, arthrodesis, diabetic foot management, and minimally invasive techniques.

Expert Speaker Panel

KNEE SESSION SPEAKERS

Ragbir Khakha

Consultant Orthopaedic Surgeon (Hip, Knee and Trauma)
Guy's and St Thomas Hospital

Asif Parkar

Consultant Trauma & Orthopaedic Knee & Hip Surgeon
Queens Hospital Romford

Khalid Al-Hourani

Consultant Orthopaedic Knee Surgeon
Frimley Park Hospital

John Stammers

Trauma & Orthopaedic Consultant
RNOH Stanmore

Chris Buckle

Consultant orthopaedic surgeon
Guy's and St Thomas Hospital

Federica Rosso

Orthopedic surgeon
University of Turin

Jeya Palan

Consultant Trauma and Orthopaedic Surgeon
Leeds teaching hospital NHS trust

HIP SESSION SPEAKERS

Tom Cornish

Owner
PureForm

Jerome Davidson

Consultant trauma and
orthopaedic surgeon
**Guy's & St. Thomas'
Hospital**

Tom White

Consultant Orthopaedic
Surgeon
**University Hospital
Lewisham**

Matt Gee

Consultant Orthopaedic and
Trauma Surgeon
**King's College
Hospital**

Andreas Fontalis

Trauma and Orthopaedic
Surgery Specialist Registrar
**University
College Hospital London**

Tom Wainwright

Professor of Orthopaedics and
Deputy Head of Orthopaedic
Research Institute
Bournemouth University

FOOT AND ANKLE SESSION SPEAKERS

Bal Dhinsa

Consultant Orthopaedic Foot and Ankle Surgeon

East Kent Hospitals University NHS Foundation Trust

Robert Lloyd Williams

Consultant foot and ankle surgeon

London Orthopaedic Clinic

Maneesh Bhattia

Consultant Orthopaedics Foot & Ankle Surgeon

University Hospitals of Leicester NHS Trust

Rohit Madhav

Consultant Orthopaedic Foot and Ankle Surgeon

Spire Bushey Hospital

Lyndon Mason

Foot and Ankle Lead

The NHS University Hospitals of Liverpool

Marc Elkaim

Foot and Ankle Surgeon

DROUOT Clinic

Donatas Chlebinkas

Orthopaedic Foot and Ankle Surgeon

Klaipėdos Universiteto Ligoninė

Callum Clark

Consultant Orthopaedic Foot and Ankle Surgeon

Fortius Clinic

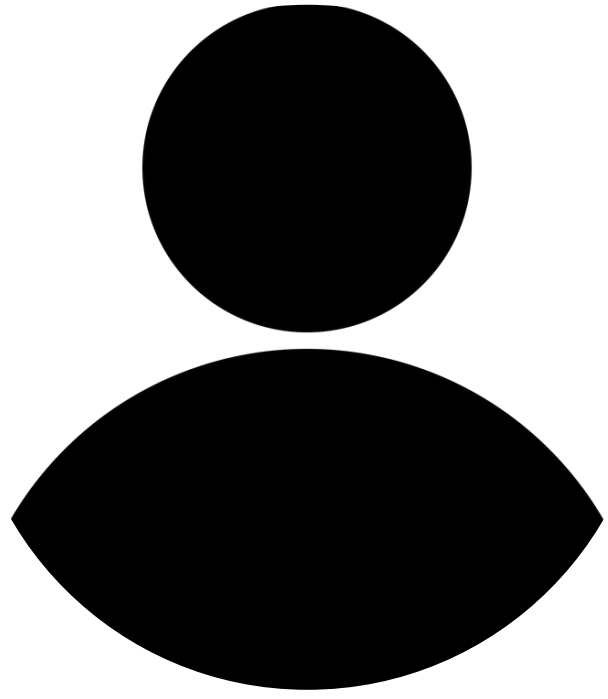

Liam Stapleton

Specialist in Podiatric Sports Medicine

Harley Street Specialist Hospital

FOOT AND ANKLE SESSION SPEAKERS

Gemma Clark

Team Lead Physiotherapist in
Virtual Fracture Clinic &
Musculoskeletal Outpatients
**King's College Hospital NHS
Foundation Trust**

Matthew Collinson

Clinical Director
**FOOT FACTOR Orthotics That
Work**

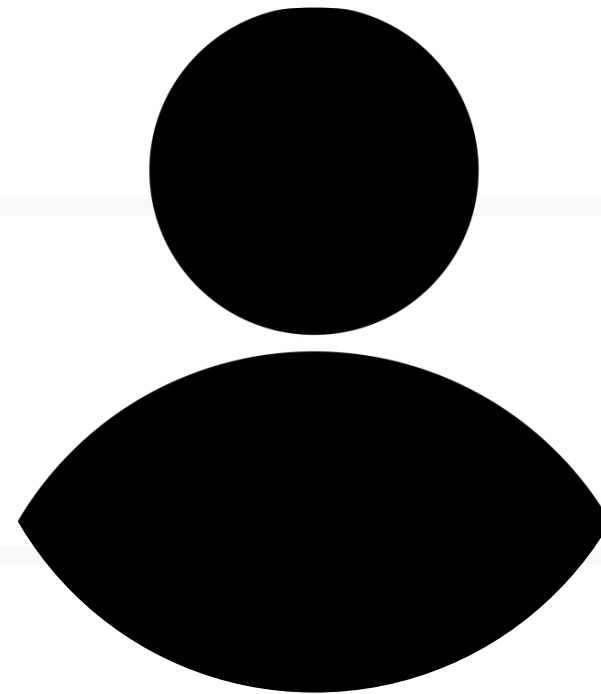

David Donne

Osteopath
Pureform Clinic

Justin Coulter

Musculoskeletal Podiatrist
First Podiatry Ltd

Andre Beson

Director & Lead Physiotherapist
Physico

HAND & WRIST SESSION SPEAKERS

Shamim Umarji

Consultant Hand & Wrist Surgeon

St George's Hospital, London

Sam Gidwani

Consultant Orthopaedic Hand Surgeon

Guy's & St Thomas' Hospitals, London

Matt Curran

Plastic Surgeon and Assistant Professor

University of Alberta

Ryan Trickett

Consultant Hand & Wrist Surgeon

University Hospital Wales, Cardiff

Najab Ellahee

Consultant Hand & Wrist Surgeon

Epsom & St Helier's hospitals, London

Christy Fowler

Advanced Clinical Hand Therapist

Guys and St Thomas' Hospitals, London

SHOULDER SESSION SPEAKERS

Graham Tytherleigh Strong

Consultant Orthopaedic Surgeon

**Addenbrooke's Hospital,
Cambridge University NHS
Trust**

Professor Mohamed Imam

Consultant Orthopaedic Surgeon

Ashford and St Peters NHS trust

Professor Harvinder Singh

Consultant Orthopaedic Surgeon

**University hospitals Leicester
NHS trust**

Abhinav Gulihar

Consultant Orthopaedic Surgeon (Upper Limb and Trauma)

**Princess Royal University
Hospital, Kings College
Hospital NHS Foundation
Trust**

Professor Lennard Funk

Shoulder Surgeon

**The Arm clinic, Wilmslow
Hospital**

Jo Gibson

Consultant Shoulder Physiotherapist and honorary senior lecturer

Shoulder Success Ltd.

SHOULDER SESSION SPEAKERS

Bijayendra Singh

Consultant Orthopedic Surgeon

Medway NHS Foundation Trust
| UK Professor of
Orthopaedics, Canterbury
Christ Church University

Vipul Patel

Medical Director (Shoulder & Elbow)

**Southwest London Elective
Orthopedic Centre**

Xavier Rajarathnam

Founder & CEO

Xcel Health Group

Vince Moore

Physiotherapist

Physiotherapist

ELBOW SESSION SPEAKERS

Kishan Gokaraju

Consultant Orthopaedic Surgeon Specialist (Upper Limb Surgery)

King's College Hospital NHS Foundation Trust, London)

Simon Booker

Consultant Shoulder & Elbow Surgeon

Sheffield Teaching Hospitals NHS Foundation Trust

Lee Van Rensburg

Consultant Shoulder & Elbow Surgeon

Cambridge University Hospitals NHS Foundation Trust

Jonathan Evans

Consultant Shoulder & Elbow Surgeon

Royal Devon University Healthcare NHS Foundation Trust

Sara Dorman

Consultant Paediatric Surgeon

Sheffield Teaching Hospitals NHS Foundation Trust

Jo Gibson

Consultant Shoulder Physiotherapist and honorary senior lecturer

Shoulder Success Ltd.

Conference Schedule Day 01

8:00 – 08:30 Conference Registration

8:30 – 09:00 Introduction to the Program and Welcome Note by the Faculty

SESSION 1: Knee Session **Conference Room 2**

9:00 – 11:00 Research Oral Representations

9:00 – 09:15 **Slope correcting osteotomy** in ACL reconstruction
Ragbir Khakha, Consultant trauma and orthopaedic surgeon, **Guy's and St Thomas Hospital**

Research Oral Presentation

9:15 – 09:30 **Robotics Knee replacement:** Is it worth chasing the targets
Asif Parkar, Consultant Trauma & Orthopaedic Knee & Hip Surgeon, **Queens Hospital Romford**

9:30 – 09:45 **PFJ instability:** What is new
Khalid Al-Hourani, Consultant Orthopaedic Knee Surgeon, **Frimley Park Hospital**

9:45 – 10:00

**Single versus 2 stage
revision knee replacement**

John Stammers, Trauma &
Orthopaedic Consultant,
RNOH Stanmore

10:00 – 10:15

TBC

Chris Buckle, Consultant
Orthopaedic Surgeon, **Guy's
and St Thomas Hospital**

10:15 – 10:30

**Pediatric ACL
reconstruction**

Federica Rosso, Orthopedic
surgeon, **University of Turin**

10:30 – 10:45

Jeya Palan, Consultant
Trauma and Orthopaedic
Surgeon, **Leeds teaching
hospital NHS trust**

10:45 – 11:00

Question & Answer Round

11:00 – 11:30

Networking Coffee Break

SESSION: 2

Hip Session

Foot and Ankle Allied Professional Advanced

11:30 – 11:45
Intro and Current Trends
**Dominic Davenport, Princess
Royal University Hospital
Bromley**

**Assessment Beyond “It’s Flat”
Clinical Decision-Making That Drives
Treatment**
→ Functional exam, staging, red flags,
treatment planning
**Liam Stapleton, Specialist in Podiatric
Sports Medicine Harley Street
Specialist Hospital**

11:45 – 12:00
**Patient experience, rehab and
recovery**
**Tom Cornish, Owner,
PureForm**

**Motor Control Over Strength
Re-Training the Failing Flatfoot**
→ Tib post, intrinsics, proximal control,
neuromuscular patterns
**Gemma Clark, Team Lead
Physiotherapist in Virtual Fracture
Clinic (VFC) & Musculoskeletal
Outpatients, King's College Hospital
NHS Foundation Trust**

12:00 – 12:15
**Clinical assessment and
functional outcomes** after
robotic-assisted total hip
replacement
**Tom Wainwright, Professor of
Orthopaedics and Deputy
Head of Orthopaedic
Research Institute,
Bournemouth University**

**Footwear as Treatment
Simple Adaptations That Modify Load**
→ Rocker soles, stiffness, heel drop,
cost-effective changes
**Matthew Collinson, Clinical Directo,
FOOT FACTOR - Orthotics That Work**

SESSION: 2

Hip Session

Foot and Ankle Allied Professional Advanced

12:15 – 12:30

Jerome Davidson
Consultant trauma and
orthopaedic surgeon, **Guy's &
St.Thomas' Hospital**

**Progressive Loading Strategies”
Rebuilding Capacity in Adult
Flatfoot**
→ Tendon loading, timelines,
regress/progress models
**David Donne, Osteopath, Pureform
Clinic**
Osteopat,Peform

12:30 – 12:45

TBC
Tom White, Consultant
Orthopaedic Surgeon,
**University Hospital
Lewisham**

**Orthoses as a Dynamic
Intervention**
When Shoes Aren't Enough
→ Prescription logic,
modifications, weaning strategies
**Justin Coulter, Musculoskeletal
Podiatrist, First Podiatry Ltd**

12:30 – 12:45

**Robotic-Assisted Total Hip
Replacement**
Matt Gee, Consultant
Orthopaedic and Trauma
Surgeon, **King's College
Hospital**

**When Conservative Care Has
Truly Failed**
Defining Plateaus, Not Giving Up
→ Identifying ceilings, referral
timing, shared decisions
**Andre Beson, Director & Lead
Physiotherapist, Physico**

SESSION: 2

Hip Session

Foot and Ankle Allied Professional Advanced

13:00– 13:15 **TBC**
Andreas Fontalis, Trauma and
Orthopaedic Surgery Specialist
Registrar, **University College
Hospital London**

13:00– 13:30

Cases and Discussions

13:15– 13:30 **Question & Answer Round**

13:30– 14:30 **Lunch & Networking Break**

SESSION 3: **Foot & Ankle**

Instability Forum

Chair: **Robbie Ray**, Consultant Orthopaedic Surgeon (Foot and Ankle), **Princess Royal University Hospital**

Panel **Razi Zaidi** Consultant Orthopaedic Surgeon (Foot and Ankle), **Princess Royal University**

Ryan Geleit Consultant Orthopaedic Surgeon (Foot and Ankle), **Princess Royal University**

14:30 – 14:45

Introduction to flatfoot pathophysiology and clinical exam
Bal Dhinsa, Consultant Orthopaedic Foot and Ankle Surgeon, **Spire Healthcare Group plc**

14:45 – 15:00

Management of flatfoot deformity lessons learned over a career in treating flatfoot deformity
Robert Lloyd Williams, Consultant Orthopaedic foot and ankle surgeon, **London Orthopaedic Clinic**

15:00 – 15:10

Open calcaneal osteotomy (debate vs MIS)
Maneesh Bhattia, Consultant Orthopaedics Foot & Ankle Surgeon, **University Hospitals of Leicester NHS Trust**

15:10 – 15:20

MIS calcaneal osteotomy (debate vs Open)
Rohit Madhav, Consultant Orthopaedic Foot and Ankle Surgeon, **Spire Bushey Hospital**

15:20 – 15:30

Questions to all speakers

15:30 – 15:45

Hallux valgus and flatfoot
Lyndon Mason, Consultant Orthopaedic Foot and Ankle Surgeon, Foot and Ankle Lead, **The NHS University Hospitals of Liverpool**

15:45 – 16:00

Endoscopic FDL transfer
Marc Elkaim, Consultant Orthopaedic Foot and Ankle Surgeon, **DROUOT Clinic**

16:00 – 16:10

Lateral column lengthening (debate vs arthroeresis)
Donatas Chlebinkas, Consultant Orthopaedic Foot and Ankle Surgeon, **Klaipėdos Universiteto Ligoninė**

16:10 – 16:20

Arthroeresis (debate vs lateral column lengthening)
Callum Clark, Consultant Orthopaedic Foot and Ankle Surgeon, **Fortius Clinic**

16:20

Questions to all speakers

Closing Remarks by the Faculty
Drinks Reception | Networking | Faculty Dinner

Conference Schedule Day 02

8:00 – 08:30 Conference Registration

8:30 – 09:00 Introduction to the Program and Welcome Note by the Faculty

SESSION 1: Conference Room 1 Conference Room 2

Hand & Wrist

Upper Limb AHP

09:00 – 09:20 **Wrist OA**
Shamim Umarji (TBC),
Consultant Hand & Wrist
Surgeon, **St George's**
Hospital, London

TBA
Jo Gibson, Consultant
Shoulder Physiotherapist
and honorary senior lecturer,
Shoulder Success Ltd.

09:20 – 09:40 **CMCJ OA**
Sam Gidwani, Consultant
Orthopaedic Hand Surgeon,
Guy's & St Thomas'
Hospitals, London

TBA
Tom Cornish, Owner,
PureForm

09:40 – 10:00 **The role of wrist arthroscopy
in managing OA**
Matt Curran, Plastic Surgeon
and Assistant Professor,
University of Alberta.

TBA
Xavier Rajarathnam, Founder
& CEO, **Xcel Health Group**

10:00 – 10:20 **PIP and DIP OA**
Ryan Trickett (TBC),
Consultant Hand & Wrist
Surgeon, **University Hospital**
Wales, Cardiff.

Vince Moore,
Physiotherapist, **Petts Wood**
Practice

SESSION 1: Conference Room 1 Conference Room 2

Hand & Wrist

Upper Limb AHP

10:20 – 10:40
DRUJ OA
Najab Ellahee (TBC),
Consultant Hand & Wrist
Surgeon, Epsom & St Helier's
hospitals, London

10:20 – 11:00

Case Presentations

10:40 – 11:00
**Principle and protocols of
hand therapy in managing
OA**
Christy Fowler, Advanced
Clinical Hand Therapist, Guys
and St Thomas' Hospitals,
London

11:00 – 11.30
Networking Coffee Break

SESSION 2: **Shoulder Session**

Chair: Bijayendra Singh, Consultant Orthopedic Surgeon, Medway NHS Foundation Trust | UK
Professor of Orthopaedics, **Canterbury Christ Church University**

Vipul Patel, Medical Director (Shoulder & Elbow) **Southwest London Elective Orthopedic Centre**

11:30 – 11:45

Sterno-clavicular joint injury

Graham Tytherleigh-Strong, Consultant Orthopaedic Surgeon,
Addenbrooke's Hospital, **Cambridge University NHS Trust**

11:45 – 12:00

Acromio-clavicular joint Injuries

Professor Mohamed Imam, Consultant Orthopaedic Surgeon,
Ashford and St Peters NHS trust

12:00 – 12:15

Clavicle fractures

Professor Harvinder Singh, Consultant Orthopaedic Surgeon,
University hospitals Leicester NHS trust

12:15 – 12:30

Pectoralis major rupture

Abhi Gulihar, Consultant Orthopaedic Surgeon (Upper Limb and
Trauma), **Princess Royal University Hospital, Kings College
Hospital NHS Foundation Trust**

12:30 – 12:45

The throwing athlete

Professor Lennard Funk, Shoulder Surgeon, **The Arm clinic,
Wilmslow Hospital**

12:45 – 13:00

Non operative management of sports injuries (TBC)

Jo Gibson, Consultant Shoulder Physiotherapist and honorary
senior lecturer, **Shoulder Success Ltd.**

13:00 – 13:30

Case Presentations

13:30 – 14:30

Lunch | Networking Break

SESSION 3: Elbow Session

Instability Forum

CHAIR : Kishan Gokaraju, Consultant Orthopaedic Surgeon Specialist (Upper Limb Surgery), King's College Hospital NHS Foundation Trust, London)

- | | |
|---------------|---|
| 14:30 – 14:45 | Elbow Approached for Trauma

END OF CONFERENCE

ABOUT UK MEDICAL EDUCATION

UK Medical Education Limited, headquartered in London, was founded by leading orthopaedic surgeons, **Mr. Abhinav Gulihar, Consultant Orthopaedic Surgeon (Upper Limb and Trauma) at Princess Royal University Hospital, King's College Hospital NHS Foundation Trust**, and **Mr. Robbie Ray, Orthopaedic Surgeon**. Our mission is to create impactful educational platforms through high-quality conferences focused on the latest developments in orthopaedic advanced surgery.

At UK Medical Education Limited, our conferences are designed to facilitate the exchange of knowledge among healthcare professionals, researchers, and innovators in the field of orthopaedics. We bring together expert speakers and participants from around the world, enabling them to share insights, explore new techniques, and engage in peer networking. Our focus on Minimally Invasive Surgery ensures that attendees stay at the forefront of surgical advancements, with discussions ranging from innovative technologies to the latest clinical practices

In addition to facilitating knowledge exchange, our conferences offer an ideal setting for building strong professional networks. We believe that meaningful connections between surgeons, medical professionals, and industry leaders are essential for driving collaborative innovations and improving patient outcomes. Our events are tailored to create a vibrant and interactive environment where ideas flow freely, encouraging attendees to form partnerships that can advance the field of orthopaedic surgery.

We are committed to making our conferences an annual fixture, giving ongoing opportunities for orthopaedic professionals to enhance their ability and collaborate on shaping the future of surgery. Our goal is to continually foster an environment where learning, innovation, and collaboration drive the evolution of orthopaedic care.

Thankyou

3rd Annual Orthopaedic Meeting
LONDON
